(the #1 Track & Field magazine in the world)

*Track & Field News* is offering a discount subscription to high school athletes of \$40.00 a year. The magazine comes out monthly, but also comes with a weekly electronic (sent via e-mail) newsletter with results of elite meets from all over the USA and the rest of the world.

For every subscription we get as a team, we get \$10 for the Episcopal team budget.

To start a subscription just fill out the form below and give us a check for \$40, made out to 'Episcopal HS' (we'll send them all in together).
