

# FANS

**FANS (Fine Arts Nurturing Students)** is the parent organization that enhances the fine arts experience for every Episcopal High School student. We sponsor and fund workshops, seminars, guest performers and artists; underwrite financial needs; promote fine arts events; and plan, organize, fund and host various receptions for the fine arts disciplines.

## Volunteers Needed

**FANS** volunteers are vital, and we welcome your involvement and participation! We have volunteer opportunities to suit every level of interest, including reception organizing and hosting; event promotion; ticket sales assistance; and other hands-on activities.

## Members Needed

**FANS** support for the Fine Arts is funded solely through membership dues and without additional fundraising activities. Please join by filling out the attached form then email, mail, or drop it off in the Fine Arts Department office in the Munnerlyn Center.
