Dear alumni, parents and friends of Episcopal High School,

The Community Service, Alumni and College Counseling Offices are working together to offer a new experience for Episcopal juniors beginning in August 2008, just before the start of their senior year. We're putting together a program to expose interested students to everyday experiences in certain fields. To accomplish this, we're asking adults in the community if they would be willing to help guide/mentor one or more members of the class of 2009 for a day, a week, or two weeks. Participants must complete an application process, and will be matched appropriately with their fields of interest and approved by the guide/mentor.

If you'd like to volunteer to give back to Episcopal High School, and to help a student from the class of 2009, please complete the following fields:

Name: _____
Career field: _____
Name of organization: _____
Location of organization: _____
Are you available the first two weeks in August? _____
Would you consider a: day : _____ week: _____ two weeks: _____
Where would you prefer to be contacted?
home phone: _____ work phone: _____ cell phone: _____
Email: _____

Once you've completed this form, please fax or mail it to the Community Service Office. You may also email Kristy Blow (blowk@episcopalhigh.org) for an editable version of this form.

Please feel free to pass this information on to anyone you feel would make a great guide/mentor for an Episcopal student. Thank you for your time and expertise.

Sincerely,
Sis Van Cleve-Miller
