Dear Middle School families,

The following are lists of required supplies for sixth, seventh and eighth grade students. **All of the items listed below are available at the Episcopal bookstore.** Students will be notified when specific additional incidental supplies are required by individual teachers or for special projects.

All Middle School students are required to purchase and use the Eagle Binder, available in the School bookstore. Students take the binder to each class to write assignments and to keep track of homework, and the binder should go home each night. The binder will contain a planner, pencil pouch and marked pockets for completed homework, homework in progress and parent information. Students will place extra paper in the back of the binder.
